Terms and conditions for using this website

Use of this website is subject to these terms and conditions. By using this website, you agree with these terms and conditions.

By visiting and looking at this website you agree with these terms and conditions and the relevant rules and regulations. If you do not agree to this, you are not allowed to use this website. Therefore, we urgently request you to carefully read the following terms and conditions before using this website. We draw your attention to the fact that at any time and regardless the reason iDoctor can revise or discontinue these terms and conditions without further notice. Since you are bound by any such changes, you should regularly visit this page to review the terms and conditions applicable at that time.

1. Access

Access to the website can exclusively be obtained by a healthcare professional ("HCP"). You will need to register yourself by choosing your country in the "sign-up" section and identify yourself as being a certified HCP. If iDoctor has any doubts regarding your application, iDoctor will not grant you access. If you believe this to be unjust, iDoctor would like to receive a copy of your registration as a HCP. After positive verification your registration will be activated. iDoctor may exclude participants from the iDoctor websites without prior notice for any reason.

2. Intellectual property

Unless stated otherwise, intellectual property rights relating to (the content of) this website, such as copyright and trademark rights, rest with iDoctor, or its licensors. Any other use than as far as expressly permitted by laws and regulations is not allowed. iDoctor reserves all of its rights.

Therefore, you may only download the information on this website for non-commercial and private use, electronic copying, printing or showing. The distribution of, modification of, and the sending or using content from the website (including images, text, drawings, video, etc.) for public or commercial purposes is strictly prohibited. For any possible exceptions written permission from iDoctor is required beforehand.

All contributions by HCP's on the website represent the personal opinion(s) of these HCP's.

3. Linking and framing

Links to this website are exclusively permitted if they direct to the homepage. Deep linking is not permitted. It is also prohibited to include (parts of) this website in your own website or that of a third party by means of hot linking, inline linking, framing, or any other method. For any possible exceptions written permission from iDoctor is required beforehand.

4. Links to websites of third parties

By means of service to the visitors of our website this website may contain links to other websites which are the property of and are run by third parties (here after “third-party websites”). These links have been carefully selected and as far as iDoctor knows come from a reliable source. However, we do point out that iDoctor has no control over these third-party websites, nor that iDoctor is affiliated with any such party, and that your possible visit to these third-party websites is at your own risk and subject to the legal conditions and the privacy policy of the website in question. You will further understand that iDoctor does not endorse or supervise these third-party websites. iDoctor bears no responsibility or liability whatsoever with respect to these third-party websites.

5. Chatrooms / users participation

Although iDoctor does not exert any (editorial) supervision, and therefore also does not accept any obligation, in reference to any possible chatrooms, bulletin boards or other similar parts of the website, as also the content of such messages/uploads, it may at any time adapt the functionality, make parts inaccessible and/or delete messages/uploads. iDoctor does not bear any responsibility or liability in reference to the content of such communication platforms. The sending or posting of unlawful, slanderous, menacing, indecent, pornographic or blasphemous content or any other content which may violate any applicable legislation and regulations, including (but not limited to) the Dutch Copyright Act, is expressly prohibited. By posting, or uploading of any content in what form so ever, you explicitly undertake that such content does not infringe upon any intellectual property or other rights of any third parties and indemnify iDoctor from any claims by a third party in that respect.

We draw your attention to the fact that iDoctor will give its full cooperation in the event that it is requested by court order or law enforcement authorities to disclose the identity of a person who sends or posts such material. Furthermore, iDoctor is authorized but not obliged to remove or block material which according to its own judgment it considers to be (i) rude, indecent, deceptive, misleading, insulting, or slanderous or (ii) conflicting with any intellectual property rights, such as copyright or trademarks or (iii) conflicting with laws and regulations or (iv) otherwise unacceptable.

It is not allowed to use the website for any advertising and or promotional activities without iDoctor’s written consent.

Uploading of any content does not transfer any intellectual property rights to iDoctor. By uploading any content you understand and agree that other users may download the uploaded content for non-commercial and private use, electronic copying, printing or showing.

The distribution of, modification of, and the sending or using of content uploaded by other users of the website (including images, text, drawings, video, etc.) for public or commercial purposes is

strictly prohibited. For any possible exceptions written permission from the relevant uploader is required beforehand.

iDoctor is not responsible for the uploaded content, including but not limited to data and information, discussions, accuracy, up-to datedness, outcome, completeness, damage or disadvantage, discussions between medical professionals, discussions on off-label and or discussions on Adverse Events, material- or immaterial damages, caused by using this website. You will have to inform iDoctor pro-active by sending a message using the: "Tell our Staff-button", available on the website, if there is reasonable doubt on specific topics. iDoctor is not responsible for the implementation, misuse and misunderstanding of the content which is uploaded, discussed posted and- or provided through the iDoctor website by users of this service. This also applies using or not-using this service.

6. No confidential treatment of user contributions

Unless the Privacy Policy of iDoctor applies, messages and materials that you send to this website by e-mail or by any other means, including but not limited to remarks, questions, suggestions, etc., are treated as non-confidential and not subject to any property rights.

7. Technical inaccuracies, typing errors and modifications

This website may contain technical inaccuracies and typing errors. iDoctor reserves the right to modify, correct, and/or improve information on this website as well as products described on this website at any time without any prior notification.

8. Disclaimer

This website and the information on this website is offered to you without any warranty of any kind whatsoever. Using it is completely at your own risk. Despite the careful composition of the information, iDoctor does not accept any liability for (the consequences of) possible errors, incompleteness or inaccuracies on the website (including but not limited to text, images and links),. iDoctor reserves the right to remove, change or supplement content on this website for whatever reason and without prior notice at any time. iDoctor does not give any warranty whatsoever that the functions formulated in this website will be uninterrupted or free of errors, that defects will be repaired, or that this website and the server on which it is made available are free of viruses and other harmful elements. iDoctor reserves the right to interrupt or discontinue one or more functions of this website and does not carry any responsibility for an interruption or ceasing of one or more functions of this website.

iDoctor is not responsible for any content uploaded by its users.

9. Information provided on the website

The content of this website is only of an informative nature and not a substitute for professional medical advice. This website is no more than a resource to better understand medical knowledge, developments and insights. You will always remain responsible for your patients and all of the advice that you give to your patients or other healthcare practitioners, as well as for the diagnosis that you set.

iDoctor does not accept any liability for possible damage or consequences, as a result of direct or indirect use of the information published on the website.

10. Complaints

Should you have any complaints about the website, or if you are of the opinion that the content of the website infringes upon your or any third party's (intellectual property) rights, iDoctor requests you to immediately contact her via staff@idoctornet.com in order to be able to undertake appropriate actions if necessary.

11. Applicable law and jurisdiction

Dutch law applies to all aspects of your use of this website. You agree that disputes and legal proceedings which may directly or indirectly result from or have a connection to this website will be submitted exclusively to the court in Utrecht, the Netherlands. You explicitly waive the applicability of any other (inter)(national) laws and/or regulations, including the laws and regulations of your place of residence or your usage.

If any of our Terms and Conditions will be held invalid or in conflict with the law of any applicable jurisdiction, the rest of the provisions will remain unaffected.

Privacy and Cookie Statement iDoctor B.V.

The term “personal details” in this statement refers to information that can be used for your identification, such as your name, date of birth, or postal or e-mail address. Registration is required for some of the services provided on this website. If you register yourself with iDoctor, you may be required to fill in certain data fields and to choose a username and password. With this registration your identity will be disclosed to iDoctor. We point out that if you decide to withhold certain required personal details, you may not be able to access certain parts of this website. Your personal details will only be used for the purpose for which you submitted them, just as for purposes of analysis in behalf of statistical or scientific purposes and to comply with legal obligations. Furthermore, we point out that the details you have submitted may be used by iDoctor to send you non-binding information about services and special campaigns of iDoctor, whether or not after analysis of the details, for which we can use data from third parties. In case you object to this, you can raise objections free of charge by sending a message to staff@idoctornet.com.

When processing your personal details, iDoctor will fully comply with the Dutch Personal Data Protection Act.

In accordance with article 13 of the Dutch Personal Data Protection Act, iDoctor will take appropriate technical and organizational measures to protect personal details against loss or any form of unlawful processing. iDoctor supervises that these measures guarantee an appropriate security level taking into account the state of the art and the costs of implementation, also considering the risks involved with the processing and nature of the details to be protected. De measures also intend to prevent unnecessary collection and further processing of personal details. We have secured our websites with SSL-certificates and our hosting is supported by ISAE 3402, NEN 7510 and ISO 27001 certifications. Furthermore we only work with trustworthy sub-contractors.

You may at any time examine your personal details as processed by iDoctor. Should this information be incorrect, you may request to have it adjusted. Such requests for inspection or correction of your details can only be made in writing to iDoctor B.V., attn. Department Address Registration, Natuursteen 21, 3991 SP Houten, the Netherlands. You may also contact this address in case you have questions about the way iDoctor handles your personal details.

Cookies

This website uses cookies. Cookies are very small text files that are stored on your computer and will be used to store certain information regarding your visit of this website. Cookies cannot harm your computer nor the files on your computer.

With the help of session cookies can see which parts of this website have been reviewed by you during your visit of our website. Therefore we will be able to adjust our services to the surf behavior of our visitors. These cookies will be removed as soon as you close your webbrowser.
